

Nissan Forklift

Nissan Motor Co. Ltd prides itself on reaching complete client contentment when enjoying one of their car, truck or forklift products. They are committed to delivering high value and detail-oriented quality standards to their customers. Incorporating a fruitful heritage combined with solid production principals, Nissan Forklifts offer some of the finest materials handling equipment the industry has to offer.

In order to satisfy the worldwide requirements of their diverse consumer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to delivering consumer support, the company has four distinct production facilities that permit them to constantly adapt to their consumers continually evolving desires by providing a range of modern ideas and designs.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a team of 350 personnel, they are dedicated to the design, manufacture, and support of their lift truck products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this allows sectors of the Nissan Forklift Operation to sustain environmental responsibility by using techniques and processes that lessen their environmental footprint. These high standards remind customers that Nissan operates under the quality seal that their consumers require while being an environmentally conscious corporation.

Nissan is quite confident that any of their consumers queries and client worries directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, reaching one of their community sanctioned dealers or even visiting their Midwestern office, Nissan Forklift Corporation is confident you will be impressed with their hospitality and dedication.
