

Genie Forklift

Genie is a universally recognized company that enjoys the spirit of partnership with their vast network of connected clients. Genie Industries prides itself on the idea of bringing materials and people higher and extending further beyond the products they produce. Genie Industries strives to help clientele build their operations no matter how large or small the scale of operation may be.

The introduction of the Genie Hoist in 1996, a pneumatic, portable materials lift initiated the opening of Genie Industries. A succession of aerial work platforms and other materials lift trucks followed to satisfy consumer demand. These innovative products secured global acknowledgment and established state-of-the-art product design.

Genie Industries is presently a subsidiary of Terex Corporation. Sustaining foremost quality production and uncompromising service and support are among their top priorities. With customers from Helsinki to Hong Kong and Denver to Dubai requesting the distinctive blue coloured forklifts on the jobsite, the company is self-assuredly grounded in their exceptional consumer service and values. Acknowledging that their consumers are their greatest motivation, the team at Genie Industries are personally dedicated to offering expertise and maintaining customer rapport.

The reliable team is continually dedicated to ascertain the most green and cost-effective, environmentally accountable methods to develop the products the consumers covet. The company's "lean production" practices help reduce waste while offering the utmost quality product possible in the shortest timeframe at the least expensive cost to the client. The team at Genie Industries is proud to serve the industry and this is reflected in every creation they produce. Always welcoming client contribution helps them to design and develop modern new products that are straightforward to service and operate, deliver optimum value-for-cost and satisfy worldwide standards. Thriving on client opinion allows Genie Industries to repetitively evolve and meet the consumers' requirements.

Genie's service experts are readily available to offer solutions to the questions you may have in order to keep you fully operational. Their extensive parts network will promptly send parts to guarantee their customers' machines are running effectively. Every product comes backed by a competitive and reliable warranty.

Genie Industries prides itself on consumer success. They build and service their goods to boost efficiency and uptime on the job. Delivering on-going training opportunities, to marketing support to flexible financing solutions, Genie Industries offers their customers the tools to get the most out of their purchase.
